Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Our Own Primary Grammar, for the Use of Beginners In preparing this little book, now, for the second time, presented to the public, my object has been to state only the most simple facts of the language, and to adapt them to the understanding of children. I have omitted everything not essential to that end; while, at the same time, I have striven to make it conform to the highest standards of the science. The reader is referred to the higher books in the series, of which this forms a part, on all points, needing further explanation. In this edition I have made such changes and corrections as experience, the suggestions of others, and further study, have dictated. I should be happy to receive additional suggestions that, in future editions, all possible improvements may be made. ### Reviews

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*It is a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*
