THE INTERNET - THE KEY TO WIN AN ELECTION CAMPAIGN

GRIN Verlag Feb 2013, 2013. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay aus dem Jahr 2010 im Fachbereich Medien / Kommunikation - Medien und Politik, Pol. Kommunikation, Universität Leipzig, Sprache: Deutsch, Abstract: The presidential election campaign of Barack Obama was declared as the first Internet- Campaign and in the American media there was talk of a transformation of the traditional campaigning. Hillary Clinton announced her presidential candidature in January 2008 not at a press conference but on the internet. 'The 2008 campaign will be the first truly 21st Century presidential race.' wrote Arianna Huffington at The Huffington Post on August 02 in 2007. It is the same in politics as it is in every other part of our society: The internet becomes more and more important. Even the reasons are the same, the internet provides numerous considerable advantages which must not be wasted. Modern politicians from many countries have realized this and try to use the internet for their activities. The main aspect which makes the internet the number one medium of our society is its function as a communication platform. The amount of data and information available on the internet grows every day. Today, people use the internet not just to find information but to create and publish information themselves. Besides that, today the internet provides possibilities to publish videos, photos and even your own private thoughts and more and more people use that. In a way the internet has become more and more personal and it is like a huge bulletin board for everyone's own ideas. That is the advantage for modern politics, the internet provides the opportunity to communicate with people in a more personal way (than for example TV would do). There are two...
