Both chapters start with an on-location photo shoot, including full details on the equipment, camera settings, and even the lighting techniques. You'll see it all as he takes the photos from each shoot (with you following right along using the very same images) all the way through the entire workflow process, to the final output of the 16x20" prints for the client. Plus, because he incorporates Adobe Photoshop seamlessly right into this workflow, you'll also learn some of his latest Photoshop techniques for portrait and landscape photography, which takes this book to a whole new level. 394 pp. Englisch.
