

Macintosh Troubleshooting Pocket Guide

By David Lerner, Aaron Freimark, Tekserve Corporation

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Macintosh Troubleshooting Pocket Guide, David Lerner, Aaron Freimark, Tekserve Corporation, This slim pocket guide has the answers to frequently asked Macintosh troubleshooting questions. Tekserver has long provided its customers with a free "Frequently Asked Questions" document. We recently discovered this FAQ sheet and realized that - like New York itself - it was too good to leave just for the New Yorkers. With the help of Tekserve, we turned this FAQ sheet into the "Macintosh Troubleshooting Pocket Guide". It covers the most common user hardware and software trouble, from disks stuck in drives to lost files. It's not just a book for Mac OS X (although it includes tips for OS X and Jaguar, the latest release), it's for anyone who owns a Mac of any type - there are software tips going back as far as OS 6. The "Macintosh Troubleshooting Pocket Guide" distills the answers to the urgent questions that Tekserve's employee's answer every week into a handy guide that fits in your back pocket or alongside your keyboard.
