Reviews

An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It has been printed in an exceptionally easy way in fact it is simply following it. After finishing reading this publication in which it really modified me, it modified the way I think.

Brand New Book ***** Print on Demand *****.Named one of the BEST COCKTAIL BOOKS OF 2012 by ! // Vodka is one of the oldest distilled spirits in existence and remains one of the top-selling in the world. Everyone has drank vodka in some shape or form at some point in their life; whether it was in a Cosmopolitan, Apple Martini or one hazy night with a bottle of Popov. Maybe you spent one night on your yacht, rolling around in gold records with a bottle of Ciroc. Ok, maybe that last example was a little reaching but I think we can all agree that it would be awesome. You re interested in this book because you are or want to become a vodka drinker. Or maybe you re a long-time bartender, like me, who wants some more knowledge on one of your favorite spirits. Whatever your reason, thank you for taking the time to read my ramblings, and I ve got you covered. As you explore this book, you will learn about the history of the most versatile spirit ever made, the differences between grain, potato and fruit-based vodkas and the secrets to making the perfect martini. I also introduce you to vodka s best friend, the Bloody Mary and share with you the history and best recipes of the ultimate breakfast drink. Plus over 100 vodka-based craft cocktail recipes from around the world. So read on, my new drinking buddies. Let s get started. But first, I need to refresh my drink.
