Brand New Book ***** Print on Demand *****.Excerpt from Mysticism, Freudianism and Scientific Psychology The past decade has witnessed a remarkable revival of popular interest in philosophical mysticism and in spiritualism. Along with this revival has gone a spread of the so-called never psychology of Freud and his satellites, which, beginning in the medical field, now claims the whole arena of human activities. The spiritualistic developments have been, by various authors, attributed to the war; and perhaps the war, with its profound mental and spiritual upheavals, may have contributed to them. The simultaneous developments in the hoary cult of philosophical mysticism, and the newer cult of Freudianism nevertheless indicate that the movements have derived their impetus only in small part from the events of the last few years, but are the expressions of forces which have been much longer in their releasing, and depend on deeply implanted principles of human nature. To show that it is no mere curious accident which leads booksellers to shelve together books on these three topics, is in part the purpose of the present volume. About the Publisher Forgotten...
