

Enriching English

By John Senior, Sarah Philo

Optimus Publishing, United Kingdom, 1999. Loose-leaf. Book Condition: New. 305 x 255 mm. Language: N/A. Brand New Book. Raise standards in teaching English with this fantastic collection of themed English enrichment activities for all pupils, aimed at secondary English teachers. Written by John Senior and Sarah Philo. English is one of the hardest subjects to teach well. Every year, English specialists wrack their brains to find new ways of delivering the curriculum. What to do about grammar is one conundrum, how to inspire children to become passionate readers is another. Enriching English is a collection of challenging enrichment activities designed to inspire more children to study English, to encourage high standards of English, to stimulate creativity with regard to English and to support an informed debate amongst pupils about the application and direction which English - both written and spoken - takes in our increasingly complex society, and will take in an increasingly complex and challenging future. There are few, if any, resources which combine academic substance with an understanding of the urgent need many students, often the very able, have to move at a fast pace. Enriching English is not just beautifully presented but behind it one can sense...
