Dog Ear Publishing, United States, 2013. Hardback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Guardians - Created to push back the forces of evil. The Guardians are back! Helen St. John faces Mr. Honorman, an elite assassin and the Guardians arch-enemy, who sets his wrath against the one woman who can stop him. As a modern warrior like an Amazon of old Helen St. John fiercely confronts her adversary in a battle where only one can walk away. Helen St. John - As a S.W.A.T. helicopter pilot officer Helen St. John proved herself over the streets of Chicago. As a Guardian in the suburbs of Detroit she demonstrates her skill and her leadership against environmental terrorists. Returning to her roots in New Your City she brings her fight against pollution, toxic waste, and those who would defile her world, even if it means teaming up with the New York Mafia. In Burning Bright Guardian Helen St. John champions a breakthrough new technology, a pollution-free garbage-to-energy conversion resource, and sets herself as protector of its young inventor. If successfully launched, this new American technology will eliminate fossil fuel in the production of electricity in our country as well as turn the tide in the fight against growing mountains of garbage and waste destroying our land and waters. The radicals must not allow her or the inventor to succeed- or even to live. David Inman is a veteran of the U.S. Air Force (Electronic Technician, B-52 Squadron, Cold War), a graduate of Michigan Technological University (BSME, Mechanical Engineering), and is retired from General Dynamics (Systems Engineer - M1A2 Main Battle Tank and the Stryker Mobile Gun System). His experience also includes fifteen years in the Automotive Industry in the Detroit area...
