

Defining and Measuring Quality in Youth Programs and Classrooms

By YD, Nicole Yohalem, Robert C. Granger, Karen Johnson Pittman

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Defining and Measuring Quality in Youth Programs and Classrooms, YD, Nicole Yohalem, Robert C. Granger, Karen Johnson Pittman, Improving youth development and well-being requires improving the everyday settings where development occurs. In this volume, scholars who study three different settings -- classrooms, youth programs, and mentoring dyads -- reflect on what constitutes quality in their setting and how to think about measuring it. The authors focus specifically on quality "at the point of service," meaning the specific practices, processes, and interactions that occur among adults and youth in the setting. Topics include: OL P: Using instructional logs to identify quality in educational settings Classroom processes and positive youth development Assessing the quality of youth mentoring relationships Creating quality within the daily tumble of events in youth settings Assessing after-school settings Quality and accountability in the out-of-school-time Recent developments and future directions for the out-of-school-time field The articles also offer practical advice about effective and manageable ways that practitioners can incorporate assessment into their work in order to improve quality. Together these articles represent a wealth of knowledge about what is important to measure in youth-serving settings and the pros...
