Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Without going into a deep, psychological discussion of the elements in men s souls that breed events, we may say with truth that the Lazy A ranch was as other ranches in the smooth tenor of its life until one day in June, when the finger of fate wrote bold and black across the face of it the word that blotted out prosperity, content, warm family ties, -all those things that go to make life worth while. Jean, sixteen and a range girl to the last fiber of her being, had gotten up early that morning and had washed the dishes and swept, and had shaken the rugs of the little living-room most vigorously. On her knees, with stiff brush and much soapy water, she had scrubbed the kitchen floor until the boards dried white as kitchen floors may be. She had baked a loaf of gingerbread, that came from the oven with a most delectable odor, and had wrapped it in a clean cloth to cool on the kitchen table. Her dad and Lite Avery would show cause for the baking of it when they sat down, fresh washed and ravenous, to their supper that evening. I mention Jean and her scrubbed kitchen and the gingerbread by way of proving how the Lazy A went unwarned and unsuspecting to the very brink of its disaster.
