For instance, what is the ego He has clarified that ?you cannot have an ego, from which you seek freedom. You are the ego, the separate entity, the seeker who seeks the freedom of enlightenment, and finally arrives at the successful conclusion that what he is actually seeking is freedom from his own sence of personal doership. imilarly, his concepts like the working mind and the thinking mind, free will and predetermination being not opposites but complementaries, the difference between witnessing, observing and non-witnessing, biological reaction and egoic reaction among others have been found most useful by seekers and teachers alike, all over the world.
