Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Selected Writings of James Hardy Dillard These twenty odd papers have been garnered from magazines, school journals and other periodicals in which they appeared - some within the last year or two and others ten to twenty years ago. Many of them have been reprinted - some of them over and over again. For the first time they are assembled here under one cover. Read one after another these pieces draw a clear outline of the better education as the writer sees it. To him it is a simple matter of the personal contact between teacher and learner - between a man who has vision and scholarship and a boy learning to see and know - with the corollary that when there is no vision the pupils perish. While these papers cover a wide range of subjects there are veins of thought and feeling that run through them all, like threads of silk weaving figures in a fabric. The persuasive appeal for genuineness in contrast with bluff and sham and shoddiness - for accuracy and thoroughness instead of slovenly work and cheap credits - for love of learning itself and not the robes and titles of the learned - for all that is fine in men and books and music and art and conduct - in one way or another this note is sounded in all these papers. It recurs like theme phrases in a symphony - ringing in one s ears long after the players have gone. Emerson writing about William Pell said that anybody listening to Pell in conversation or hearing him plead a cause in parliament would come away with the feeling...
