CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 256 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. Manhattan. A ruthless serial killer is butchering financial industry high rollers. FBI Special Agent Silver Cassidy, the head of a task force that's on a collision course with disaster, finds herself fighting impossible odds to stop the murderer before he can kill again. Struggling to balance the hunt for a savage predator with the challenges of being a single parent, Silver finds herself thrust into a nightmare of brutality that will demand every ounce of determination she possesses to survive. ---Q and A with Russell BlakeQ: Silver Justice is a departure from your usual action-adventure thrillers. Why a police procedural serial killer epic featuring a female protagonist Russell: I got the idea for a strong female protag who was a take no prisoners Fed when I was thinking about a sequel to Fatal Exchange. I sort of thought, wouldn't it be interesting to write a Silence of the Lambs kind of main character, a la Agent Starling, but make her more experienced, and have her dealing with a host of complications from her personal life even as she's involved in the most important case of her career I wanted her to be really richly drawn, and complex, and struggling with issues that are catastrophic, so the pressure just keeps mounting until you're wondering what more can happen without her head exploding. And I wanted her to be very smart, and capable, but also address the issues of a female swimming upstream in a male-dominated career. I like the way Silver turned out. She became very real for me as I wrote the book, and I can envision her carrying a whole series. She's definitely got the depth to do it...
