Brand New Book ***** Print on Demand *****.Liam, a young loner boy who recently lost his father, is befriended by G, a different kind of Fairy from what he is use too, on top of Edinburgh s Calton Hill, when she breaks the strict rules of her troubled, magical world and intervenes after Liam is beaten up by a gang of school bullies. Immediately G and Liam form a deep bond of friendship that takes them on a whirlwind adventure inside her fantastical world, from the great cliffs of doom and the flesh eating forest to the great lake of Silence, and all the weird and wonderful creatures that inhabit them, from fire wolves and rainbow dragons to the more sinister lurking Weasel bats. But G s world is no longer the tranquil haven it once was, and is now a world ruled by a tyrant Fairy King, his mysterious evil wizard, Zorn, and their army of Wretchids - a half goblin, half werewolf mix breed creature, with one hell of a bite. Things take a dark turn though when Liam, looking to impress his new crush, the pretty and feisty Irish girl next door, Lucy, secretly brings her into the magical world, but against the wishes of his new fairy friend.
