Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Adell Lubowitz)

BITTER ASHES: THE STORY OF WW II (STORIES OF CANADA)

Napoleon Publishing, 2010. Hardcover. Book Condition: New. The biggest war in history made intelligible for young readers World War Two was the greatest conflict in human history. It gave birth to the Atomic Age, the Cold War and the economic boom of the 1950's and 60's, and planted the seeds of today's Middle East crises. But it is not distant history. Most Canadians have relatives who were part of this world-wide tragedy. Bitter Ashes puts these events in context for them. This book in the illustrated historical series Stories of Canada is a companion to Desperate Glory: The Story of WWI. A clear and concise text leads the reader through the major military and political events and issues of the war. Sidebars add detail and a personal element. Every page is illustrated with either photographs or maps. Like Desperate Glory, also by Governor General's Award nominee John Wilson, this book will be indispensable to Social Science teachers covering twentieth century history.
